Sherry Maragh, MD**Northern Virginia Dermatology,
Vein & Surgery Center**

Dr. Sherry Maragh is the founder of Northern Virginia Dermatology, Vein and Surgery Center. The center was specifically designed by Dr. Maragh with a mission of providing comprehensive dermatology care to her patients including medical, surgical cosmetic and laser dermatology. Dr. Maragh is Board Certified by the American Board of Dermatology. She received her training at the prestigious Mayo Clinic Department of Dermatology and Dermatologic Surgery in Rochester, Minnesota. Dr. Maragh completed highly competitive, specialized surgical fellowship training in Mohs Micrographic Skin Cancer Surgery with advanced facial reconstruction and minimally invasive cosmetic surgery with emphasis on liposuction and facial rejuvenation. "I have a great passion for my specialty. Helping people to feel comfortable and confident with the way they look, whether treating a skin cancer or addressing a cosmetic concern, it is my goal to help my patients achieve an appearance they will feel good about."

Dr. Maragh is a published scientific author and local and national speaker on the latest advances and techniques in dermatologic surgery. Dr. Maragh is a member of the American College of Mohs Surgery, reserved only for fellowship trained Mohs skin cancer surgeons. She has performed over 3000 skin cancer surgeries with facial reconstruction. Dr. Maragh is also a fellow of the American Academy of Dermatology, the American Society of Dermatologic Surgery and the American Academy of Cosmetic Surgery.
